

MUSI 2320 Computers and Technology for Musicians Dr. Chapman Welch

Class Number 10297 Section 01 TuTh 2:30-4:00PM

ROOM 214 MSM

Office: Room 180 Office Hours: by appointment

Email: chapman.welch@gmail.com

Office Phone Number: (713) 743-3320

Course Description: The course is designed to provide students with a working knowledge of various computer programs that will have a practical application in their teaching careers. The programs taught will include but are not limited to Microsoft Office, iLife, Logic, and Finale.

Learning Outcomes: Students will demonstrate a mastery of the following material

Microsoft Office: Word processing, spreadsheets, databases, presentations

iLife/Wordpress: Working with digital media, creating a digital portfolio

Logic Studio: Recording and MIDI Sequencing

Finale: Musical notation for band, choir, and other ensembles. Creating excerpts for inclusion in papers.

Measurements of the learning outcomes:

As material is covered in class, assignments will be given to reinforce the presented material. Late projects will not be accepted. All exams must be taken on the scheduled date.

Materials:

CDs

USB drive

<u>Grading:</u>	Projects	30%
	Mid-Term	15%
	Final-Exam	15%
	Website	30%
	Participation	10%

Attendance is required. Students will be deducted 5% from their final grade for each absence after their third unexcused absence.

Academic Dishonesty:

Any student who is caught cheating, plagiarizing from an outside source, or turning in another student's work as their own will be immediately dropped from the class and given a final grade of F.

Learning Disabilities:

Please contact me if you have a documented disability that may require some modification of seating, testing, or other class requirements so that appropriate arrangements can be made.
